New Uniforms for the Gators

The baseball team will be sporting some new uniforms this season. The booster club purchased the new additions with funds that we all worked hard to raise last year. The total cost was around \$5,000. The items we were able to purchase included: pinstripe jerseys & pants, a sublimated jersey & new green stirrup socks (not shown). This is why our fundraising is very vital to our program. Positive changes like this will bring excitement and incite a positivity for the team which ultimately leads to a feeling of pride and allow us to represent Captain Shreve looking our best.
